

Not Even Then, the debut collection by Brian Blanchfield, introduces a poetry both compressed and musically fluid, beseechingly intimate and oddly authoritative. Blanchfield conducts readers through a unique, theatrical realm where concepts and personages are enlivened into action: Continuity, Coincidence, Symmetry, and Shame keep uneasy company there with Marcel Duchamp and Johnny Weissmuller, Lord Alfred Douglas and Blue Boy Master Lambton, Julietâ€™s Nurse and Althusserâ€™s Moses. With its kinked and suspensive language, Not Even Then draws on the lyric tradition, even as it complicates that traditionâ€™s dualism of self and other. Likeness is always under investigation in the bookâ€™s irreducible arrangements of alterity. From Red Habits: I imagine the interferences explained / in donâ€™t-think-twice and reverse advice / and by habits for both head and breast / hers and hers as red as mine at chamber check. / We are each herself a further interference. No answer rests unquestioned in its turn; even the book titleâ€™s cynicism is challenged by a poetics alive to possibility, where Possibility isâ€™”impetuously, ecstaticallyâ€™”companionable. The listener you are, writes Blanchfield, the less alone.

Microeconomics: Behavior, institutions, and evolution, Wake Up, Little Tiger!, Elementary Logic, Science in Nineteenth-Century America, a Documentary History, The British Looking Glass: Where Inreality is Seen, Field Landlords, the Enemies of the Interests of Their Heirs and Nation, Moon Whispers: Book 1 & 2, We dare to believe;: An exploration of faith in the modern world,, The Gospel And The Esoteric Basis Of Christianity,
