

Finding your inner kitten is about finding serenity and peace. Its never too late, at any age, to have a happy kittenhood. The secret of this lies in your ability to integrate and transform your experiences with an inferior species, humans. Stop relying on humans to fulfill your physical, emotional and inner-kitten needs. You must take responsibility for your own welfare. Humans are emotionally inadequate. They cannot understand the purradigm of the cat-human partnership. Humans expect lifelong loyalty and love, failing to understand that this is the human part of the relationship. Their inevitable disappointment warps the relationship. Bowls of food are no substitute for proper hunting. The hard wired instinct to eye, stalk, pounce, tear off feathers and eat prey is unused and the inner kitten is unfulfilled. Catnip mice are no substitute for real mice. Humans enjoy playing with them. We cats do not recognise them as mice though we will occasionally join in this silly human game - out of sheer good manners
