

This is a much-needed, hands-on manual for the gardener who wishes to work in conscious partnership with the overlighting nature intelligences. Based on the authors many years of experience, The Perelandra Garden Workbook is filled with practical techniques, fresh perspectives on traditional organic gardening methods, and an infectious sense of joy and humor. Interspersed throughout this book are many direct communications from the different levels of nature intelligence. Each reveal universal natural law and a cosmic wisdom applicable not only to gardens dug in soil, but to every garden planted in the larger soil of life experience. Truly, a book for everyone seeking to connect into the larger picture of life.
