

PROLOGUE - the first book in a series called the End-Times Tales - proposes a series of events for fulfillment of the Bible's Last Days prophecies in our time. Follow the exploits of Christians and Messianic Israelites through to the end as they emerge victorious with the help of God. Appropriate to all ages of readers. Hope, victory, humor, the power of God - these are the themes of the End-Times Tales series. Too many novels of the Last Days focus on hopelessness and evil. This book can be used as extra easy-read fiction in conjunction with studies of Revelation, Daniel, or Zechariah. The scriptures used to create the story are referenced at the beginning of each chapter. It also notes the dates of the feasts of the Jews from Leviticus 23 which turn out to be rehearsals for end-time events. The Plot: A priest of the order of Zadok - the order designated in Ezekiel for the last days - declares the opening of the Eastern Gate in Jerusalem, and it opens. The sign of the Son of Man appears. The Antichrist plans to add Ruler of Jerusalem to his many world-wide titles, by being crowned on Temple Mount. Two witnesses speak against him. The Catholic leadership discover that his plan includes much more than a coronation. The Catholics who had acknowledged the Antichrist's resemblance to Jesus before, now change course and decide to work against him and his plan. Christians are helped by the Holy Spirit and heavenly beings, to make converts at the end and to do great things. The book has a concise ending, but leads in to Book Two - The Body of The Text.
