

It was a pulpit that raised John Wesley, John Knox, Martin Luther and all of God's generals that did mighty works for God. Today, majority of pulpits are focusless, routine, carnal, secular, powerless and shallow. They exalt this world and diminish eternity in the hearts and ears of Christians. Is it not amazing that the pulpit on the day of Pentecost brought 3,000 soundly saved souls to the Lord? And we have arguably over 500,000 churches in Nigeria alone where half a million sermons are being preached from the pulpit every Sunday and yet, majority are not transformed, but are only reformed. In this powerful, practical and penetrating book, Dr. Bola Akin-John has laid bare how the pulpits of today can regain her lost power. You will learn: * 5 Paths of Preaching. * 12 Deadly Sins in the Pulpit. * Abuse of Pulpit Ministry Today. * 12 Kinds of Preachers Today. * How Jesus used His Pulpit Ministry. And many more. This is a Handbook for every preacher. It will change your ministry forever.
