

Society says youth is a time for carefree self-expression, but Trip Lee says God has called young adults to rise from slumber, above low expectations, and to live for the risen King. The world tells us that our early years in life are to be merely enjoyed rather than devoted to serious, meaningful pursuits. We're told that responsibility and commitment are burdens to be put off as long as possible. As a result, most young people remain in a sad state of slumber-sleeping in on life until forced to get up. The problem is that life has already begun. God created us for so much more than life as usual. And living an abundant life is a privilege. In this powerful audiobook, Trip Lee argues its time to wake up and rise, to live the way we were created to live. Young or old, we're real people now, and we've been called to live for him. Right now. Young believers face the same problems as older Christians, but we feel them in unique ways. Rise addresses those core problems in a profound, galvanizing, life-changing way. Don't just sit there: rise!
