

Robin Jenkins's greatest novel is a powerful examination of good and evil, set against the backdrop of a Scottish estate during World War II. With its themes of class-conflict, war, evil and envy, this is a towering work of fiction that remains as relevant today as when it was first published. Suspenseful, dark and unforgettable, it is one of the masterpieces of modern Scottish literature. Iain Crichton Smith's SCOTNOTE study guide is a skilful and intelligent guide to the themes and characters of the novel, and explores the religious, philosophical and moral questions that it poses. Suitable for senior school pupils and students of all ages.

Abraham Lincoln; the Practical Mystic - Scholars Choice Edition, Confederate Military History: The Battle of Shiloh, By Agnar Sandmo: Economics Evolving: A History of Economic Thought, Analog Science Fiction - December 1969, The Unseen Things: Women, Secrecy, and HIV in Northern Nigeria, The Celtic Dragon Myth, The Pacific Campaign - The Second World War At Sea, Better Photography for Amateurs (Modern Photo Guides), The orchestra,
