

Bestselling children's author Kay de Silva presents "Sea Turtles". The book uses captivating illustrations and carefully chosen words to teach children about the old man of the sea. This series is known as one of the most beautiful on the kindle. The pictures look great even in black and white and are excellent on the full color kindle. The description in the large text beneath is simple enough for early readers or for a parent to guide a child through. There are also picture captions that provide more information to talk about with your child. Alternatively, a child of any age (even the child in you) can just look at the images and appreciate their beauty. This book depicts the wonder of the world of Sea Turtles. Children are given a well-rounded understanding of this beautiful creature: its anatomy, feeding habits and behavior. The following Sea Turtles are featured: * The herbivorous Green Sea Turtle * The beautiful Hawksbill Sea Turtle * The petite Kemp's Ridley Sea Turtle * The solitary Loggerhead Sea Turtle * The king-sized Leatherback Sea Turtle * The unusual Olive Ridley Sea Turtle Get this book at this special price exclusive to the Amazon Store. *** Your child will love it - this is guaranteed.***
