

I have written this book to hopefully provide skilled fishermen and nonskilled fishermen alike the tools to catching huge brown and rainbow trout. The information I have provided in this book will guide fishermen into understanding tips and techniques that will put that ten-pound-plus brown or rainbow trout in the photo album or on the wall. Possibly a new state or world record. For those who have not read Secrets of Catching Trophy Brown and Rainbow Trout, there is a brief description in the preface that might help you better understand what important information this book will provide you. I searched for this information when I began my quest for state and world record brown and rainbow trout, with little to no success. After fifteen years and many hours of fishing, learning tips, and secrets others didnt want us to know, I decided to put this information in book form to provide the reader with this hard-to-find information.
