

This is the fourth volume in the series of Select Proceedings of the European Society of International Law (ESIL). It features the most important and interesting papers presented at the previous ESIL conference on regionalism and international law (Valencia, 2012). As before, the best papers from the conference have been re-written and edited in order to present a perspective on what is a flourishing forum for the discussion of new ideas and scholarship on international law. (Series: Proceedings of the European Society of International Law - Vol. 4) [Subject: Public International Law]
