

Bem-vindo ao maravilhoso mundo de Jose de Alencar. Nesta edicao classica do seu romance Senhora, trazemos ate si a melhor edicao esta admiravel peca literaria do final do seculo XIX. O romance Senhora foi inicialmente publicado em 1875, na forma de folhetim. E um dos ultimos romances de Jose de Alencar, publicado dois anos antes da morte do escritor. Romance de final feliz e o ultimo desenvolvimento " agora em clave de maior densidade psicologica " do motivo do conflito entre o amor e o interesse, presente desde os primeiros livros, notadamente A Viuvinha. Senhora narra a historia de Aurelia Camargo, filha de uma pobre costureira e orfa de pai, que depois de perder seu irmao apaixonou-se por Fernando Seixas " homem ambicioso - a quem namorou. Este, porem, desfaz a relacao, movido pela vontade de se casar com uma moca rica. Da mesma forma que Iracema, Senhora e juntamente com Luciola um dos pontos altos da ficcao citadina e de actualidade de Jose de Alencar. Esperamos que tenha tanto prazer a ler esta obra classica quanto aquele que nos, Mogul Classics, tivemos a trazer-lha ate si.
