

It's not often that you find a book that caters to everyone from the absolute beginner to the advanced sewer. Sew a Little Fabric - Techniques and Projects for Modern Quilters is one of those books. The absolute beginner will appreciate the step-by-step photos, while the more experienced quilter will find quicker and easier ways of achieving those tedious tasks. You'll learn tips and techniques to improve your patchwork and quilting along with basics like how to put a zipper in a cushion, or how to bind a quilt, the almost maths-free way. You'll even learn how to baste a large quilt on a small table.
