

Do work colleagues confide in you? Do your friends turn to you when their relationships break up or are in trouble? Do people gravitate toward you at the end of parties to offload their worries and fears? If so, the chances are you are a counsellor in waiting and this book is for you. Are you studying counselling part time and finding it difficult to juggle a day job and/or a family, whilst having a non-existent social life? Have you started clinical placement and are finding it difficult not being able to talk to somebody about your work, apart from your supervisor? If so, you need the support of your peers, who know exactly how you feel. This book is also for you.
