

For the men of U.S. Army Special Forces Camp A-555, the enemy comes in many forms. But perhaps the most dangerous adversary is one that the Americans cannot see - a soldier who surrenders to combat pressure. Sergeant Sean Cavanaugh and a patrol of RF strikers are ambushed at Listening Post One. In the ensuing attack the force is wiped out. Cavanaugh is the sole survivor. Riddled with the guilt of his very survival, the sergeant's mind snaps, and he becomes a rogue soldier. Captain Mack Gerber, commander of Camp A-555, is suspicious of Cavanaugh, realizing that in a hostile situation the sergeant's mental state could endanger the lives of those with him. So when Cavanaugh organizes a hunter-killer team to seek revenge for the ambush, Gerber is left with only one choice - find and kill Cavanaugh!
