

The Prince of Preachers, Charles H. Spurgeon (19th June 1834 – 31 January 1892) was not only a wonderful orator but also magnificent with his pen. The sermons he preached touched the lives of thousands. His writings still continue to reach those who read them to this very day. Reading Spurgeon today may be secondary to the impossibility of hearing him but there is no doubt that his words still carry the weight of Biblical truth. This is the Kindle version of the thirty sixth volume of Spurgeon’s sermons. Given he preached up to ten times a week for over 30 years, Spurgeon amassed over three thousand sermons. These sermons were published on an ongoing basis with 63 volumes being produced by 1917. We now present this work to you on the Kindle. It includes an active table of contents to assist you in moving to the chapters of your choice. This is a must read for every Christian. The sermons included in this volume:
