

Get natural help for erectile dysfunction, and learn how to control your climax with this hypnosis and guided meditation program! You have the power to last longer, and hypnosis can help. Motivational Hypnotherapist Joel Thielke is a world-renowned hypnotherapist and author who has helped millions of people worldwide. This powerful hypnosis program is designed specifically to help you learn how to control your climax and last longer in bed, and boost your confidence and self-esteem. This hypnosis script is designed for people who want to create their own hypnosis recordings (for personal use only). It is an easy-to-use guide that can be tailored on a person-to-person basis. There are three main parts to the script: the induction, hypnosis pattern, and endings. We have included both "sleep" and "wake" endings for your convenience. The induction is a unique version of the standard "staircase induction" used by many professional hypnotherapists. The entire script is intended to be delivered in normal tone with normal breathing, making sure to honor the pause breaks for at least 15 seconds or longer.
