

Study Hacks: 23 Hacks to get Extraordinary Grades & Straight As by Studying Less and Saving More Time Do you want to be a good student? By having straight As? Saving more time than you ever did before? How many times did you completely stress out about the next day test? Even cry in anger, wanting to punch everyone around you because you have the feeling that you won't succeed at the most important school exam! And that can change your life! What if your professional life will be ruin because you didn't pass this year? You will never get a job, a partner (because no one wants a loser like you), kids, money! If you ever thought about this, well this book is for you! (And yes, I thought I was a loser too). Until the day I decided to change! My name is Filipa, and just like you, I was a student a few years ago, so, unfortunately, I understand all of your school struggling during your life. I'm not a teacher so every advice and hack I give you here is, actually, to teach you how to study and succeed, revealing the most important steps to get extraordinary grades, and most of them, teachers don't want you to notice. Still, during my school life I learnt, by the difficult way, what you should do if you want to have straight As and good grades! In this book, I will teach you never revealed hacks to be the most successful student in your class, without much effort. By only taking steps that will lead you through a brilliant path, giving you the opportunity to get straight As, learning new information quicker then you ever learnt before!
