

The T-34 was possibly the best medium tank of WW2, and was a major influence on all subsequent tank designs. It served in huge numbers with the Soviet Army and its allies, though it was also used by their enemies. This book describes the colors and markings applied to the T-34/76 in service with all major users, including unit and tactical markings, individual names and insignia, and air recognition features. Illustrated with photos and color profiles, this is essential reading for armor enthusiasts and modelers. **REVIEWS** ...an invaluable reference source for military enthusiasts and modelers alike.
