

The Teaching Guide to The Ancient South Asian World is a complete, all-in-one resource that provides teachers with the support they need to help their students access the content of the book from the Medieval & Early Modern World series. It contains a collection of important instructional tools for the teacher, and a separate section on reading and literacy with practical strategies for teaching content to students with a wide range of abilities and learning styles. Special multimedia, cross-curricular projects, one for each chapter, designed for mixed-group use gives students of all backgrounds and learning styles a chance to access and interact with the content. Chapter-by-chapter three-page lesson plans that are filled with activities to help teachers get the most out of every chapter in the book, including two chapter activities in blackline master form, graphic organizer reproducibles, project outlines, rubrics and a chapter assessment.
