

This series of twelve popular astrology books - one for each sign of the Zodiac - lets readers look ahead to the coming year and see what the future has in store. Each guide covers love and sex, work, money, health and more. Internationally-acclaimed astrologer, Teri King, has drawn up this collection of forecasts, advice and tips with the aim of providing more detailed and accurate information than can be found in horoscopes in magazines. Covering all you need to know in order to help you to make 2003 a successful and happy year, this easy-to-use guide includes: how astrology works; your sun-sign profile; career and money forecasts; love, sex and health tips; your sun-sign partners; numerology; and daily and monthly forecasts.
