

The entire ranch is thirstyâ€”will the rains ever come? Tomboy Charlie loves the ranch and the outdoors, especially now that she has a horse of her own and can ride like a true cowboy. She doesnâ€™t understand why her mother keeps after her to help out in the house, too. But ranch life is hard, especially when thereâ€™s a drought. There isnâ€™t enough water for the crops or cattle, and horrible dust storms sweep away the soil. If it doesnâ€™t rain soon, her family could lose everything. Charlie must learn that on a ranch, everyoneâ€™s job is important if they are to surviveâ€”and that a good cowboy always obeys orders. This classic story depicts Texas ranch life during the droughts of the early twentieth century, as one girl tries to find her place in the world.
