

The magical system in this booklet has never appeared anywhere before. Here you will find information which is completely new and based on information given to the author by the invisible forces that surround the material world. This is not witchcraft; nor voodoo. You will be using the magical energy within you to which the cards of the Major Arcana are doorways. You need no special abilities to tap this magical power - it has nothing to do with being the seventh son of a seventh son, or other strange occult beliefs. This Power is available to anyone and does not involve calling up Spirits, good or bad. Each card is associated with an area of emotional and material influence in relation to its mystical symbolism. Decide on exactly what it is you want to change in your life.
