

IF the reader will but pay attention to what I have written in this great work, it will be found that I have taken an unwarrantable liberty with his good taste; that is to say, I have so far deviated from that stereotyped rule-so strictly observed by all our great authors-as to make my hero, who is what is curiously enough called a Yankee Character, speak tolerably good English, instead of vulgar slang. In truth, so closely do our great writers adhere to this rule of depicting the eccentric American as a lean, scraggy individual, dressed most outlandishly, making splinters of the kings English, while drawling it with offensive nasal sounds, and violating the rules of common politeness in whatever he does, that when he goes abroad the foreigner is surprised to find him a tolerably well polished gentleman, and indeed not unfrequently inquires what part of our country those lean persons he has seen described in the books of American authors reside in. Let this preface then suffice, for if any one of my many readers think he can write a betterâ€”and I doubt not he can-let him set about it, and not stop until he get it exactly to his fancy. But before he say one word against aught that is herein written, let him bear in mind that I am the author of not less than a stack of great histories, which have already so multiplied my literary fame, that the mere announcement of another book by me sends that only great and generous critic, the public at large, into a perfect fever of anxiety.

Lancelot, ou le Chevalier de la charrette de Chretien de Troyes: Les Fiches de lecture d'Universalis (French Edition), Onde (Italian Edition), Women Are Spiritual Bridges: One womans incredible autobiographical journey out of darkness and into His marvelous light, Seeing Jesus: Glimpses of God in My Life, Creative Mind and Success, Here We Go Round the Mulberry Bush (Little Orchard Board Book), Management Strategy, Egypt in 1855 and 1856; Tunis in 1857 and 1858 Volume 1, Capital, Saving and Credit in Peasant Societies,
