

A fun, colorfully illustrated, book of thought provoking philosophical perspectives that sparks higher self awareness. Introspective thought is not often pursued in today's society; but the key to self-understanding, & an honest/objective view of others & the world. An accurate perception of reality has a direct impact on our ability to live a content life; so to see clearly, we need to understand within. Universities & religions have made attempts, at various levels of commitment, to stimulate reflective thought. While others, intent on management, control, & pre-programming people, work hard to stunt it; for an introspective, reflective, & therefore clear mind is not easy to manipulate. Sit back & take a trip to you, as you read through the pages. It is a book that is enjoyably re-read many times; with new insights derived with each reading. Thus reflecting our ever-changing perceptions of the world, & our lives; vis-a-vis our evolving lens through which we view them. In the end, however, this is a fun book of colorful pictures that has a bad habit of lifting peoples spirits up. Beware! Happiness Alert!! :-) Send this book to anyone. It is a great gift to say thank you, or encourage someone
