

In your marketplace, gain an advantage with these seven simple, yet powerful skills: Have an **IMPACT** that identifies you. Turn your **PASSION** into a connection. Value what **OTHERS** really need. Turn words into **ACTION**. Cause the right **RESPONSE**. See power in the **OUTCOME**. Take your customers into the **FUTURE**. The Candlestick Wars is based on Tim Buchanan's executive workshop titled "28" which teaches companies they, not someone else, need to be in control of the message they're sending out into the marketplace. This incredible training workshop teaches companies how to create and be in control of their voice in the marketplace. You will develop a strategic intent, plan, and architecture through communication. Tim Buchanan (B.S., MBA), President of Communicate Forward, has been training adults and leaders for over 20 years. He has brought strategic communication concepts and training to a new level. He is an accomplished, entertaining and gifted speaker and trainer. He is also an award winning affiliate professor in the MBA program at Regis University in Denver. He has trained and coached executives from many industries. Tim has a unique way of putting people at ease while taking complex business concepts and making them very easy to understand and apply. He brings with him a wealth of knowledge and expertise in the field of communication. He will help you and your organization understand how to communicate like you never have before.
