

Never before has this country indeed this world faced such a need for a book that unites people, a book that reassures those disillusioned by faith that they can navigate their way back to God and even experience a profound spiritual awakening. For author and entrepreneur Steve McSwain, such an epiphany transformed his life. In *The Enoch Factor*, readers discover a kindred spirit in an author who understands how religion can subvert a spiritual life. His story will help them navigate their own spiritual journeys. More than a personal odyssey, *The Enoch Factor* is also a testimonial to the innate dangers of fundamentalist thinking. It is a persuasive argument for a more enlightened religious dialogue in America, one that affirms the goals of all religions guiding followers in self-awareness, finding serenity and happiness, and discovering what the author describes as the sacred art of knowing God. Unapologetic and moving, McSwain's take on The Almighty is sure to ignite spirited debate. Full of wisdom, humor, and truth, *The Enoch Factor* bridges the gap between secular and Christian book titles on spirituality, setting a new standard in both.
