

Good witchcraft for budding spell casters Antonia Beattie has explored many mainstream and alternative therapies and philosophies, and believes that the key to a happy and fulfilled life lies in tapping into the greatest energy force we know--Mother Earth. In *The Girls' Handbook of Spells*, readers learn how to draw from that positive energy force to cast a variety of spells. From spells for finding friends, for happiness, for prosperity, for love, as well as spells for personal safety, this handbook takes spell casters step-by-step through each spell to show how easily successful spell casting can be. All of the spells included can be safely performed with readily available ingredients and tools found at home, such as herbs, candles, needles, thread, crystals and stones. Also included are directions and tools to help spell casters tailor their intuition and create spells of their own. Beautifully packaged with 4-color art and illustrations throughout, girls of all ages will love this friendly guide they can use to make their wishes come true.
