

Melandra had learned a deadly secret “ and now she was on the run. She didnt think things could get any worse “ but there is a minotaur lurking in the ruined house where she hides. She has no choice but to submit to his lusts, rather than risk getting caught. And when she ends up in the minotaurs own lands, she realised she was in double the trouble... This is an erotic short story involving explicit monster sex, male aggression, vigorous single and double penetrations, and is most definitely for mature readers only “ read at your own risk!
