

Hailed as one of our finest writers about the American West, William Kittredge now brings all his experience and intelligence to bear on the wider, and wilder, West of our civilization. In certain respects, *The Nature of Generosity* continues the story of *Hole in the Sky*, the acclaimed memoir of Kittredge's early life on his family's vast ranch in Oregon; but it also ranges freely, and exhilaratingly, around the world and through recorded time. A travel book of sorts--from New York and Venice to the Andalusian hills of Garcia Lorca, from the cow towns of Montana to the caves at Lascaux--it is driven by the quest to reconcile childhood simplicities with the complex, urgent, adult questions about who to be, and how, and why. Drawing on our various histories--biological, cultural, psychological--Kittredge celebrates diversity as the cornerstone of our social possibilities, examines the freedom and responsibility this entails, and suggests that our cultures' habitually selfish, combative behavior is far from being in our best interests--or, indeed, in our nature. Less geographical than philosophical, at once learned and curious, observant and personal, *The Nature of Generosity* is a revolutionary, and practical, magnum opus. From the Hardcover edition.

Twelve Who Were Chosen, *Announcing the Kingdom: The Story of God's Mission in the Bible*, *Medical Spanish: A Conversational Approach (with Audio CD) (World Languages)*, *Antichrist, Tribulation, Armageddon, & Biblical End Time Prophecy*, *For the Love of God: V. 1: A Daily Companion for Discovering the Riches of God's Word*, *Flächenrecycling: Inwertsetzung, Bauwürdigkeit, Baureifmachung (German Edition)*, *Birds (Pocket reference guides)*, *Von Der Kita Zum Familienzentrum. Ein Bildungsmanagementprozess (German Edition)*, *Ethics and Politics in Early Childhood Education (Contesting Early Childhood)*,
