In this thorough and thoughtful protection magick handbook, you are urged to take responsibility for your own actions, ask what you might learn from any situation, and hold compassion for those you may view as doing harm. Popular Wiccan author and teacher Christopher Penczak takes a threefold approach to protection magick in this guide for Witches, Pagans, shamans, and psychics. First, find out how to protect yourself using personal energy, will, and intent. Next, discover how to connect with your guardian spirits, angels, and patron deities. Finally, learn how to use traditional spellcraft and ritual for protection. This comprehensive guide to psychic self-defense and protection magick also includes an audio CD of protection meditations read by the author.
