

Despite highly sophisticated computerized technology studied by experts to read & interpret weather & weather patterns, there is something about age-old weather proverbs, folklore, poems, & sayings that stand the test of time & accuracy. Freier's fascination with changeable weather started when he was a child on a Wisconsin farm, & although he went on to scientific studies of weather, his lifelong collecting of weather folklore has enabled him to put together this remarkable book. In addition to the proverbs, sayings, & folklore -- & the clear explanation for what they mean -- Freier also provides info. about meteorological issues such as humidity, atmospheric pressure, fronts, occlusions, & lightning. An original & entertaining book. Illus.

Jazz in Crime, Taschenkalender 2008, Does The Bible Deny The Divinity of Jesus?: Why did Jesus pray to God?, That's Not the Monster We Ordered, Cytogenetics, The Monist: A Quarterly Magazine Devoted to the Philosophy of Science (Volume XXXIV, No. 3, July 1924), Ethnography of the Cahuilla Indians, The Sterling genealogy Volume 1, BLIND FAITH: 30 Days: Strengthen Your Faith in God (30 Days:Strengthen Your Faith Book 1),
