

The Wrong Side of an Illness: A Doctors Love Story is a non-fiction novel based on the memoirs of a general hospital psychiatrist whose life is turned upside down by physical signs of his wife's silent illness. What follows is his extraordinary account of their journey through her battle with ovarian cancer. His ability to translate emotion into prose allows him to share with his reader the subtle nuances of the narrator's altered role, the family's experience, the complexity of medical interactions in the setting of tragic illness, and the hope that follows from a loving marriage and a fulfilling career of patient care. Her fatal illness is the subject of a candid narration of love, loss, and recovery.
