

Melanie Rawn returns to her rich high fantasy world in Thornlost, the sequel to Touchstone and Elsewhens. Cayden is part Elf, part Fae, part human Wizard and all rebel. His aristocratic mother would have him follow his father to the Royal Court, to make a high-society living off the scraps of kings. But Cade lives and breathes for the theater, and hes good, very good. Hes a tregetour a wizard who is both playwright and magicwielder. It is Cades power that creates the magic, but a tregetour is useless without a glisker an elf who can spin out the magic onto the stage, to enchant the audience. And Cades glisker, Mieka, is something special too. So is their fettler, Rafe, who controls the magic and keeps them and the audience safe. And their masker, Jeska, who speaks all the lines, is every young girls dream. They are reaching for the highest reaches of society and power, but not the way Cades mother thinks they should. Theyll change their world, or die trying.
