

Watson's dynamic debut novel, replete with startling accurate informative of accompaniment of music, television, slang and styles from the 1960-s generation, engulfs the reader and makes him a part of the scene. The time is 1967 and San Francisco is the place. A naive eighteen year old country girl from Tennessee and her friends are drawn into the "Flower Child" culture of sex, drugs and alcohol. Time and Space, A Love in Place is an attention grabbing, romantic dramedy with an intriguing mystery. Throughout this controversial, historical timepiece there are several shockers and then a few unexpected twists at the end. This heartwarming story consistently invokes a variation of emotions that fluctuate from sadness to laughter. Each character has a completely different personality and his or her own distinctive problems. They may bicker and argue, but they always love one another like family. Share their experiences as they are part of the movement that changed the world.
