

Sam Crawford went from a lawyer just barely making the office rent to a very rich man in the blink of an eye. He should have been happy but he wasn't. He had returned home one day to find his wife and the love of his life gone. She left him a note of goodbye and the faint hint of her perfume. One day after a miserable and lonely year, Sam happened to run across an adult DVD that featured his ex-wife and the search for her was on. With his good friend and associate, Ruben Jones, they soon found themselves knee-deep in the filth of the white slave trade and the even dirtier business of politics. In this rather lengthy novel, you'll find a lot of down and dirty sex. The female lead in this yarn, Suzi Crawford finds herself in the grip of a whoremaster by the name of Eric. She is required to service his every demand for bizarre sex. She is made to engage in group sex with multiple male partners. All black of course. If you are looking for a nice long read with a lot of graphic interracial sex then this is the book for you
