

Spearca, a world controlled by monarchs, a place where prophecy still lives, and few are looking ahead for the changes which are to come. It is said the one to come will bring forth fire and destruction for all on Spearca, and a blue flame will cover every corner of her spatial plane. This science fiction story is one of mystery, one of motive and one which shares a deep understanding of the human soul. Come along on this quest - learn about The Father, Petro ward to King Amerstall, Princess Dia, Prince Sid and others to watch how their interactions play out. Come and see the old, and new, the advances of technology yet no one in the realm can pass the cusp of the White Sea. This is an adventure, a mystery, a prophecy and those who come to explore will find themselves wanting more.
