Not illustrated. 1901 Excerpt: ...and December. Miscellaneous discharge measurements of Tuolumne River, California. SAN JOAQUIN RIVER AT HERNDON, CALIFORNIA. This station, established by the Southern Pacific Railway Company in 1879, is at the iron highway bridge crossing the river at Herndon. The bed of the stream is of sand and gravel, and the section has changed materially several times during 1900. A reconnaissance has been made of the river above Pollasky, with the view to locating a new station where the section will be permanent, and a relocation will probably be made in 1901. The station at Herndon is described in Water-Supply Paper No. 38, page 395. Results of measurements for 1899 will be found in the Twenty-first Annual Report, Part IV, page-AG6. During 1900 the following measurements of discharge were made under the direction of J. B. Lippincott: Discharge measurements of San Joaquin River at Herndon, California. Daily gage height, in feet, of San Joaquin River at Herndon, California, for JHOD. KING RIVER NEAR RGD MOUNTAIN, CALIFORNIA. The waters of King River, coming from a high catchment basin on the western slope of the Sierra Nevada, are probably of greater value for irrigation purposes than those of any other stream in central California. During the summer of 1900 the mountainous basin of the river was explored for reservoir sites and for power possibilities, and although numerous reservoir sites were surveyed, not one of them was considered commercially feasible. A good reservoir site was discovered, however, in Clarks Valley, in the foothills outside of King River Canyon. A reservoir at that place could be filled with water from King River that would run to waste during the fall and winter months, and by utilizing electric power developed from the river for pumping purposes...

We are really want the Water-supply and irrigation papers of the United States Geological Survey Volume 47-54 pdf thank so much to Adam Ramirez that give us a downloadable file of Water-supply and irrigation papers of the United States Geological Survey Volume 47-54 for free. I know many visitors search a book, so I wanna giftaway to any readers of my site. If you download this ebook today, you will be save the book, because, we dont know when this file can be available at thepepesplace.com. Press download or read online, and Water-supply and irrigation papers of the United States Geological Survey Volume 47-54 can you get on your laptop.
