

Nicholas Rescher examines the controversial social issue of the welfare state, and offers philosophical thoughts on the limits and liabilities of government and society. Questioning some of the principal assumptions of democratic theory and classical liberalism, Rescher theorizes that the current system is not a be-all end-all, but rather a necessity with limited scope that will ultimately fail to achieve its objectives. He further purports that the welfare state must be a transitional phase to a more affluent postindustrial society—a satisfying life, rather than an adequate one.

Sitting Bull (Famous Figures of the American Frontier), Fidelity & honour: The Indian Army from the seventeenth to the twenty- first century, Abogados de Arquitectos (Spanish Edition), By Michael W. Galbraith - Administering Successful Programs for Adults: Promoting Excellence in Adult, Community, and Continuing Education (12.2.1996), The Paintings of Cynthia Polsky, Language Network, Grade 12, The Joy of Foreskin, Vitalstoffe braucht jeder - auch Sie- Körper, Geist und Seele im Einklang (German Edition),
