

There are many reasons why this is the number one selling Western Civilization text in the country. The clear, single-author narrative by Jackson Spielvogel presents history in an appealing and accessible manner. This text truly tells a story that students will understand. WESTERN CIVILIZATION strikes a true balance and provides a synthesis of political, economic, social, religious, military, cultural, and intellectual history. This balance gives students a solid foundation for further study in history. Chapter 29, The Contemporary Western World Since 1970 is a particularly good illustration of the texts balance. The books documents and maps are useful and superb.

Western culture, sometimes equated with Western civilization, Western lifestyle or European civilization, is a term used very broadly to refer to a heritage of social norms, ethical values, traditional customs, belief systems, political systems, and specific artifacts and technologies that have some origin or.

The term Western Civilization refers broadly to a constellation of customs, beliefs, political systems, and events rooted in European history and Western culture. The influence of Western Civilization is global; defining American culture and North American culture among others. Many of us have heard the phrase 'Western civilization,' but what does it mean exactly? In this lesson, we'll define that term and explore some of. The values of liberty, tolerance and rational inquiry are not the birthright of a single culture. In fact, the very notion of something called 'western. WHEN I say baldly that I dislike contemporary Western civilization, I am, of course , saying this partly to tease my fellow Westerners. The stand that I take is partly. All Culture What constitutes western civilisation has always been contested. Today, few people talk earnestly about western civilisation. the modern culture of western Europe and North America. In a haze of ethnic studies programmes and Stanford's chants of Hey, hey, ho, ho, 'Western Civ' has got to go! , many people have lost sight of.

Do you want to improve your understanding of where we are today, how we got here, why the 20th century unfolded as it did, and even what the next millennium .
