

White Picket is a dark comedy that proves that you never really know the person that lives next door. Adam Marks and his serial killer neighbors have made their own utopia on a suburban street near Washington D.C. With a set of rules to help them kill undetected, Adam has been living his American Dream. However, when a normal family moves in across the street due to the reckless actions of one of their own, their presence threatens to expose them all. Adam soon realizes that his American Dream might be falling apart. After an unexpected friendship with his new neighbor, Adam must decide how far he is willing to go to protect this family and maintain his way of life.
