Its highly doubtful a man could take pushing a football out a hole three times too small. Most men run for Mommy the second they get a splinter or a cold. And thats where this anthology shines. Lacking empathy, they can slice up a persons self esteem till theres nothing left but bloody pieces. And now an all female stable of writers have been allowed to run free in the world of the undead. So see the living dead through a womans eyes. But be careful...you might not like what stares back at you.
